

Call for Papers

ABOUT OJDB

Open Journal of Databases (OJDB), an open access online journal, publishes original and creative research results on databases. OJDB distributes its articles under the open access model. All articles of OJDB are fully open access and online available to readers free of charge. Accepted manuscripts are published online immediately. OJDB aims to provide a forum for sharing and exchanging ideas, experiences and research results among scientists and practitioners of databases. OJDB publishes regular research papers, short communications, reviews and visionary papers in all aspects of databases. There is no restriction on the length of the papers.

SCOPE

OJDB expects original, high-quality papers, including but NOT limited to the fields:

- Traditional Databases
- Emerging and Non-Standard Databases
- Data Management
- Web and Heterogeneous Data
- Data Models and Languages
- Data Visualizations and Analysis
- Benchmarks, Performance and Evaluation
